In this Agreement, "you" or "your" means any person or entity using the Service ("Users"). Unless otherwise stated, "Coinpayments," "we" or "our" will refer collectively to Coinpayments, Inc. and its subsidiaries and affiliates. If you do not agree to be bound by the terms and conditions of this Agreement, you must not use or access our Services. Any use of the Services means you consent to this Agreement. Coinpayments is a payment and limited custodial service and no partnership, joint venture, employee-employer or franchiser-franchisee relationship is intended or created by this Agreement.

You must read, agree with, and accept all of the terms and conditions contained in this Agreement. This Agreement may be amended at any time by Coinpayments and your continued use of Services will be your consent to posted amendments. All amended terms shall be effective upon posting on our site. As you read this Agreement, you must also access and read the information contained in the other pages and websites referred to in this document, or any amendment, or Coinpayments website as they may contain further terms and conditions that apply to you as a Coinpayments Service User.

Unless otherwise instructed, your account will be held in a general multi-client wallet managed and overseen by Coinpayments and its accounting procedures or your account may be held in a separate individual wallet if so subscribed by you and when available as part of the Services.

For additional information about this Agreement and Service and how it works, please also consult the Coinpayments Contact/ Help/FAQ.

1. *Eligibility.* Our Service is not available to minors, persons who are suspended from our Service, or persons who are not lawfully permitted to use our Services or cannot enter into legally binding contracts or who present an unacceptable level of credit/legal risk or reputational risk. In order to use the Service, you must register for a personal or merchant account. Users may only hold one personal or merchant account.
2. *The Legal Relationship between You and Coinpayments.*
 - 2.1 *Relationship.* Coinpayments acts as a cryptocurrency wallet facilitator and custodian to help you accept trades from and make trades to third parties and to hold your cryptocurrency assets. Whether as a collective wallet service or individual wallet we act as your limited liability custodian and facilitator based upon your direction and your requests to use our Services that require us to perform tasks on your behalf. All transactions in your account are under your risk and control, Coinpayments will not restrict your use subject only to law and concerns of misuse of the Service or the public. Coinpayments will at all times hold your tokens or coins separate from its corporate accounts, will not use your funds for its operating expenses or any other corporate purposes, and will not voluntarily make funds available to its creditors in the event of bankruptcy or for any other purpose. You acknowledge that (i) Coinpayments is not a bank or brokerage and the Service is a facilitation service rather than a banking service, and (ii) Coinpayments is not acting as a trustee, fiduciary or escrow with respect to your funds, but is acting only as a limited custodian and Service provider.

You agree that you will not receive interest or other earnings in your wallet or account from the Services except by your own activities and Coinpayments has no liability to you for your activities either conducted yourself or by instruction to Coinpayments. By initiating and sending transactions through the Service or

adding to your balance, you appoint Coinpayments as your nominee custodian to manage your wallet and other Services where such is appropriate in the opinion of Coinpayments or by your instruction. Should Coinpayments suffer any deficit or damage resulting from your use of the Services you shall indemnify Coinpayments within five days of invoice. If you do not pay in such time frame or payment is not sufficient to fund the deficit or damages Coinpayments is authorised to obtain the same by debiting your account.

- 2.2 *Internet Provider.* Coinpayments acts as a Service provider by creating, hosting, maintaining and providing our Service to you via the Internet. We cannot ensure that a buyer or a seller you are dealing with will actually complete the transaction and all risk of trades remains with you. We do not guarantee continuous, uninterrupted or secure access to our service, and operation of our site may be interfered with by numerous factors outside of our control.
- 2.3 *Identity Authentication.* We use certain techniques to identify our users. Verification of Users is only an indication of increased likelihood that a User's identity is correct. You authorize Coinpayments, directly or through third parties, to make any inquiries we consider necessary to validate your registration. However, because user verification on the Internet is difficult, Coinpayments cannot and does not guarantee any user's identity.
- 2.4 *No Warranty.* WE, OUR PARENT, SUBSIDIARIES, EMPLOYEES AND OUR SUPPLIERS PROVIDE OUR SERVICES "AS IS" AND WITHOUT ANY WARRANTY OR CONDITION, EXPRESS, IMPLIED OR STATUTORY. WE, OUR PARENT, SUBSIDIARIES, EMPLOYEES AND OUR SUPPLIERS SPECIFICALLY DISCLAIM ANY IMPLIED WARRANTIES OF TITLE, MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE AND NON-INFRINGEMENT. We make no representations or warranties regarding the amount of time needed to complete processing because our Service is largely dependent upon many factors outside of our control.
- 2.5 *Limitation of Liability.* IN NO EVENT SHALL WE, OUR PARENT, SUBSIDIARIES, EMPLOYEES OR OUR SUPPLIERS BE LIABLE FOR LOST PROFITS OR ANY SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES ARISING OUT OF OR IN CONNECTION WITH OUR WEBSITE, OUR SERVICE, OR THIS AGREEMENT (HOWEVER ARISING, INCLUDING NEGLIGENCE). OUR LIABILITY, AND THE LIABILITY OF OUR PARENT, SUBSIDIARIES, EMPLOYEES AND SUPPLIERS, TO YOU OR ANY THIRD PARTIES IN ANY CIRCUMSTANCE IS LIMITED TO THE ACTUAL AMOUNT OF DIRECT DAMAGES AND SHALL BE LIMITED STRICTLY TO THE AMOUNT EARNED FROM THE COMPLAINANT(S) IN THE SIX MONTHS PRECEDING THE CLAIM. In the event that you have a dispute with third parties or one or more of us, you release Coinpayments (and our officers, directors, agents, subsidiaries, joint ventures and employees) from any and all claims, demands and damages (actual and consequential) of every kind and nature arising out of or in any way connected with such disputes.
- 2.6 *Indemnification.* You agree to indemnify and hold Coinpayments, its parent, subsidiaries, affiliates, officers, directors and employees harmless from any claim or demand (including attorneys' fees) made or incurred by any third party due to or arising out of your breach of this Agreement or the documents it incorporates by reference, or your violation of any law or the rights of a third party relating to your use of the Service.
- 3.0 *Fees and Referrals.*
- 3.1 *Fees.* All fees are set forth in a separate Fee Schedule or posted on Coinpayments website, as amended from time to time.. Your account and all transactions are made and displayed in the currency of the coin being held or the currency of the transaction.
- 3.2 *Referrals and Affiliates.* Coinpayments offers an affiliate system providing referring Users a five year percentage of the transaction fees earned by or from the merchants Users referred. For full information see this help entry.

4. *Receiving Payments.*

4.1 *Funding of Payments.* It is your obligation to ensure that payments are funded including FIAT or cryptofunds as required to comply with and close a transaction. Coinpayments shall have no obligation to ensure the integrity of the transaction and should it agree to intervene it does so without risk and based on an agreed fee structure. If reversal of funding occurs because you have used credit then you are fully and solely responsible for any resulting debit.

4.2 *Withdrawals.* Funds in your wallet belong to you and may be transferred at any time. However, we reserve the right that in order to withdraw funds from your Coinpayments wallet we may require you to provide Coinpayments with a number of forms of identification and will require settlement of any outstanding amounts.

5. *Sending Payments.*

5.1 *Sending Payments.* Your wallet belongs to you but we may require you to provide Coinpayments with a number of forms of identification to ensure identity. Coinpayments will never make transfers from your account without your authorization except for fees, costs and claims due and unpaid by you. All funds sent by you are at your sole risk.

5.2 *Refused Payments.* When you send a payment to a third party through our Service, the recipient is not required to accept the payment, even if the recipient is already registered with Coinpayments. The recipient may return the payment or, in some cases, use the Coinpayments Service to deny payments that you send. Any payments sent through Coinpayments that are denied or unclaimed by a recipient will be returned to you as soon as reasonably possible after the date of such denial and the date the funds are available to be sent to you.

6. *Refund Policy.*

6.1 *Completed Transactions.* It is the nature of Bitcoin, Litecoin, and the other cryptocurrencies on our website that all transactions are final with no method of chargeback or recourse for the sender of the funds. As such we are unable to reverse or provide refunds for any payment made through our payment system. This also applies if you contact us before the payment is completed but it reaches completion before we are able to respond. We do provide a feedback system so buyers can leave ratings for sellers (and vice versa).

6.2 *Incomplete Transactions/Overages.* If your coins were not received and/or confirmed in time, not enough funds were received, or you sent extra coins we will refund them to you as long as you have notified us in time and they are in the control of Coinpayments. To engage this service open a support ticket with your CoinPayments transaction ID, verification code, and refund address. The ticket must be opened with the email address used in the transaction. Refunds will be either (at our discretion): a) the original amount of coins received, or b) an amount equivalent to the USD value at the time of the transaction. All refunds must be claimed within 30 days of us receiving your coins or they will be forfeited. Refunds are sent minus our costs, the unsubsidized coin/miner TX fee and any other third party charges. For a refund to be honored it must be at least the network transaction fee (TX fee) for that coin times two, otherwise it will be forfeited.

6.3 *Sent to wrong coin/chain, missing tags, delisted coins, etc.* If coins are sent to the wrong coin, wallet or blockchain or to a delisted coin and need to be recovered by us manually there will be an 8% recovery fee, if the coins can be recovered at all, and we reserve the discretion not to recover small sums. This would also apply to coins that require a destination tag, payment ID, memo, etc. and they were not sent or were sent to an incorrect value. We will not recover tokens we do not support. You must contact us within 30 days for us to recover your funds, if recoverable, for you or they will be forfeited.
